©1996 by Walkin' Jim Stoltz, Walkin' Jim Music, BMI

Am D Am
1) The wolf is a creature of beauty and grace,
Am G Am
And part of the master plan,
Am D Am
Yes, she eats other creatures & hangs out with her friends,
Am G Am
I guess she's a whole lot like MAN.

Chorus:

D Am
Howl for the wolf a-runnin' free,
D Am
Howl because it feels so good,
D Am
Howl for the wild in wilderness,
G Am AmD
And howl for the wolf in the woods.

2) The wolf is a creature of storybook fame
With tales that were made to scare you,
She's taken the bum for eating Grandmum,
I tell you it just isn't true. Spoken:(It's just a fairy tale!)
(Chorus)

3) The wolf is a creature of beauty and grace,
But people have killed most her pack.
It's time to keep the wild in wilderness,
It's time to bring the wolf right back!
(Final Chorus)
