C G C G
1) Late at night you'll hear her, hootin' to the stars,
C G C D
She's singing out her question, you can hear it from afar.

G C G
**Chorus:** Who, who, who, who are you,
D G
Flyin' through the woods playing peek-a-boo,
G C G
Who,who,who, who are you,
D G
That's how an owl says howdidoo!

2) You won't hear her wings, as through the dark she flies,
To hunt she needs it quiet, and on silence she relies.
**(Repeat Chorus)**

3) She likes her food still kicking sometimes she'll gulp it whole,
From mice to skunks and rabbits, sometimes a wayward vole.
**(Repeat Chorus)**

4) They say she's got good sense, the wisest in the land,
Behind those big all seeing eyes, I know she understands.
**(Final Chorus)**
